

Batch size: 9, Threads: 3

Index	0	1	2	3	4	5	6	7	8
value	0	0	0	0	0	0	0	0	0

The diagram illustrates the distribution of a batch of 9 elements across 3 threads. The elements are indexed 0 to 8, and all values are 0. The threads are labeled thread0, thread1, and thread2, each responsible for a subset of the indices.

thread0

thread1

thread2
